Privilege Pay Is the Smart Way

When you're busy it's easy to lose track of your checking account balance. GenFed's Privilege Pay program can benefit you in these ways:

- No embarrassment from returned checks/debits
- Avoid service or membership cancellations
- No additional fee charged by merchants for returned checks/debits
- No hassle if you don't have the funds in your account, if for instance you forget to deposit your paycheck.

If you qualify, GenFed will cover your check/debit, up to a certain amount, if for some reason your account is overdrawn. This service kicks in after you use your standard overdraft protection from savings or your overdraft loan. You'll pay a fee, but it will be a lot less than the fees you would have accumulated without this protection.

For more information about GenFed's Privilege Pay program give us a call.
